The curtain rises on another year, and the stage is set. As the school year unfolds, we find ourselves participating in the four phases of our Catholic education: academic, social, athletic, and co-curricular activities. Each phase brings us in contact with new experiences. For the freshmen there are the new experiences of Latin verbs, pep assemblies, library passes, and freshmen mixers. The sophomores, veterans of one year, appear a little more sure of themselves and begin to take on some responsibilities such as the Sophomore Cotillon. The juniors are at last upperclassmen and they realize that this title carries duties as well as privileges. They fulfill these well in their projects such as the Junior Prom. However, for the seniors it is a year of joys and sorrows as they will soon have only memories to look back on. They pass from the senior assembly to the Mardi Gras, to the class retreat, to final exams, and at last to graduation. The curtain will soon fall on a very important part of their lives. But for them, as for all of us, these will have found a place in our life's never-ending drama. It is our drama, the DRAMA of 1960.

DEDICATION

Since taking over the position as sixth Bishop of the Fort Wayne Diocese, Rev. Leo A. Pursley, has accomplished outstanding feats in spreading Catholic doctrine and facilities throughout the area. His predecessor, the Most Reverend John Francis Noll, was acclaimed by many both near and far. Undoubtedly, taking the place of such a great man has been a difficult and trying task. Prior to his becoming Auxiliary Bishop, he served as pastor and Apostolic Administrator. With the valuable knowledge gained from these positions, he was not only well qualified but also experienced in handling the difficulties that were to face him.

It is fitting that the Hi-Way be dedicated to a man who not only has been a "Good Shepherd" to his flock but also has taken an active part in the activities of St. Joseph's. During his few years as Bishop, he has already taken great strides toward bringing to Catholics in the Diocese services of the Church designed to enrich Catholic Life, especially through Catholic education. He has also taken part in graduation ceremonies several times. A fitting climax to the school year was rendered as His Excellency distributed diplomas at graduation.

THE MOST REVEREND LEO A. PURSLEY, D.D., BISHOP OF THE FORT WAYNE DIOCESE

THE SETTING

The stage of our production is a modernistic structure at the corner of South Bend's Angela Boulevard and Michigan Street. It is the symbol of the devotion and self-sacrifice of the clergy and the faithful of the South Bend area, who realized the necessity of a school that would consolidate Catholic learning for the future citizens of the Valley of Promise.

The school is built to house our capacity for 1500 students, and since its operation is co-institutional, the boys who occupy the north wing, are taught by the Brothers of Holy Cross and the girls, occupying the south wing, are taught by the Sisters of Holy Cross. However, the gymnasium, cafeteria, and the common wing with its library, chapel, offices, and science rooms are shared by both departments during the school day.

Since the foundation was laid in 1952, St. Joseph's has become a well-known landmark near the entrance of the Indiana Toll Road. Bordered by such renowned institutions of learning as the University of Notre Dame and St. Mary's College, the school is in an excellent position for the advancement of scholarship.

Although comparatively new with other high school sites, St. Joseph's has gained immeasurable prestige in both academic and athletic pursuits.

THE SCENE OF LEARNING

A true comparison can be made between life at St. Joseph's and a colossal stage production. The students play out their roles as actors and actresses, making their debuts in the world of knowledge and experience. The faculty imparts the immense realm of knowledge and experience to the players. The students, receivers of this material, have an excellent chance to put it to use through co-curricular activities and relations with their fellow students. At the same time, there are certain formal and traditional procedures that must be followed by the students in acting out their dramatic roles. In this way, students are prepared to face the challenges of the world.

THE ADMINISTRATORS, Brother Reginald Justak, C.S.C., Principal; Sister Mary of Good Counsel, C.S.C., Vice Principal; Father John Vrabley, Superintendent.

OUR DIRECTORS AND PRODUCERS

Assuming the tremendous task of organizing and realizing this production are the directors, or the administrators of the student body and faculty of St. Joseph's. It is their responsibility to keep unity within the framework of the school. Their leadership must maintain certain scholastic and moral standards within its domain, and, at the same time, guarantee a well-rounded and thorough education to every St. Joseph's student. It lies with the directors of this drama to unify, organize, and maintain the active life of our school.

SUPPLEMENTING THE RELIGIOUS ACTIVITIES already provided by the religious program of the school, students are often seen receiving the sacraments at their local parish Churches.

Our Spiritual Growth

The soul is developed not only by religious activities within the school, but also by outside participation in certain religious observances.

Students attend Sunday Mass and Holyday Masses at their respective churches. Parishes also conduct confessions throughout the week, Benediction, Holy Hour, and other ceremonies in accordance with the Liturgy of the Church, thus giving the students of St. Joseph's a chance to exercise their Faith on their own.

At Notre Dame, student participation in services at the Fatima Shrine is encouraged and certain evenings throughout the school year are set aside for St. Joseph's students.

Thus, participation in religious activities within school supplements outside participation in the sphere of the parish.

PUBLIC DEVOTION for high school students at the Notre Dame Fatima Shrine was well-represented by the students of St. Joseph's.

THE MASS CULMINATES every day of our retreats. With the emphasis on prayer and spiritual reflection, we congregated in the gym for lectures and in the classrooms for reading and thought.

LIVING OUR FAITH THROUGH LEARNING

THE RETREAT MASTER, Father Ralph Fisher, C.S.C., conducts one of many profitable conferences at the Freshman-Sophomore Retreat.

At St. Joseph's, our Catholic faith is developed through learning and an active participation in various ceremonies which have been established in the Liturgy of the Catholic Church.

Once a year, every student makes a retreat, during which time he has a chance to look back over his life and to make a firm decision to make certain necessary adjustments. During these three days, the student has the opportunity to attend Mass, confessions, conferences and Benediction, and to participate in spiritual reading. Thus, the peace and quiet affords students ample opportunities to meditate on their past and future.

Every First Friday, Mass is said in the Little Theater for all students at 7:45 and later in the morning for one class. Observance of Lent is followed by daily Mass in the Little Theater, along with the distribution of Holy Communion.

In these ways, the religious growth of the student body is fostered through the processes of learning and active participation.

EXPLAINING THE LITURGICAL COLORS used in the Mass vestments during the Church year are: Jane Kline, Irma Hamill, and Sherry O'Neill.

FIRST FRIDAYS provide an opportunity for the students to receive Communion as a single body.

SEEKING A SPIRITUAL OASIS, students frequented the chapel before school and between periods.

DELIGHTFUL STRAINS of well-practiced melodies fill the gym in the first annual Pop Concert. This lent an opportunity for the general public to enjoy the benefits of music as part of the fine arts program at St. Joseph's High School.

THE FRESH ATMOSPHERE which comes about after a slight drizzle invites Mike Gloster, Ed Graveline, Frank Maxwell, Frank Bogaert, Karl McCraley, Ted Gadacz, Jim Rozycki and Dick Witucki to capture nature's ever-changing scene.

CASTING OUR MOLDS OF CULTURE

The opportunities to broaden our culture are many at St. Joseph's. Talent is manifested in art class, which proves to be a period of ingenious creativity as well as one of practical learning. This creativeness is shown in our students' own posters, paintings and even their mosaics. The art of speech is encouraged by oratorical contests and debates. Perhaps one of the most outstanding advances in the field of music at St. Joseph's is the band giving every member an outlet for artistic endeavors. As can be seen by the Pop Concert and art displays at Patron's Club meetings, the products of our culture do not go unrecognized.

THE GIRLS' ART CLASS employs the silk screen process in producing creative Christmas cards.

THE ART OF PUBLIC SPEAKING is exemplified by Robert Wolz, first place winner of the Freshman Declamation Contest.

CHALLENGING THE FRONTIERS OF SCIENCE

In this modern age of moon rockets and nuclear fusion, a strong emphasis is placed on the sciences. At no other time has this emphasis been so pronounced.

Likewise, we, at St. Joseph's, realize the importance of a basic understanding of the four major sciences: biology, chemistry, mathematics, and physics. Upon these four are based the whole system of scientific endeavor and a proper foundation of them has been established at St. Joseph's.

These sciences have produced deep interest and curiosity within the students and have led to a deeper understanding of the things around us. Laboratory facilities provide an opportunity for students to handle the practical, along with the theoretical aspects of a science. In this manner, St. Joseph's High keeps pace with the times.

THE WONDERS of the biological world hold the interest of Barbara Jez and Sally Dunn.

COMPLEX INSTRUMENTS in the hands of such artists as Jim Mullin, Dick Mayer, and Mr. Jim Fuelle exercise mechanical drawing skills.

ACQUIRING PRACTICAL EXPERIENCE

Perfection in the education of an individual is only achieved through the induction of practical experiences, along with intellectual endeavors. All subjects, in one way or another, carry with them some practicalities which the student must master in order to be a success. However, some classes possess greater opportunity for acquiring practical experience. When the students have acquired this adeptness, they are able to use with great proficiency their hands and the thousands of instruments and implements that are available for utility within all fields of human endeavor. Practical experience gives greater versatility in handling future problems and gradually overcoming them through former experiences within that field. Only when the student has acquired the power to use his hands and practical instruments, can he adapt them to the attainment of intellectual endeavors and, at the same time, increase the capacities of his mind.

EVEN THE TASK of being a housewife takes intricate training — most of which is a course in home economics as demonstrated by Jutta Augustine, Georgiann Manuszak, Maxine Luzny, and Kathy Horth.

COMPARING THE PAST WITH THE PRESENT

We were there — through movies, tapes, and records. The clock was turned back, and we relived historic events in our social studies course. We began with civics, learning how to become better citizens through an extensive understanding of civil affairs. Enlarging our scope of knowledge, we studied World History from prehistoric man to the Korean War, and secured an overall view of the world situation, past and present.

With this background, we were well prepared for United States History, where we learned how our country fits into the international puzzle. In this class we narrowed our sights, and discovered the details of the history of our country — its growth, its troubles, and its success. Complementing U.S. History, the fourth year brought Government, where we looked even more closely into the Constitution of our country, its laws and its politics.

THE MODERN INTERPRETATION of Joan of Arc, Jo Stahl, wrapped in Kaiser foil, is tried by the French court, comprised of Nancy Kuhn, Bernadette Frost and Marjorie Gorzkiewicz.

PENETRATING THE SOCIAL BARRIERS

If peace is to prevail, modern day society requires that good relations exist between all nations of the world. Here at St. Joseph's, a serious endeavor is made in arranging the curriculum to provide an opportunity to become acquainted with customs of other countries through a careful study of their languages.

As the main trunk from which the Romance languages branch, Latin forms the basis for the study of other languages. Latin is also invaluable as a mind builder since it requires deep concentration and memory work. The many hours spent memorizing vocabulary words are not in vain, however, for they help us excel in another tongue, English.

In English, our everyday speech is perfected, and we become well versed in American Literature. By using description, contrast, and variety, we are determined to improve our composition.

In this day of speed and travel, a trip to Spain or France is merely a matter of hours. As a result, a thorough understanding of these tongues is a valuable asset to anyone.

CAST FOR THE CLASS OF 1960

Four short years ago, as a group of bewildered Freshmen, we wondered what was in store for us at St. Joseph's High School. Looking back over these years we can appreciate what an integral part of our lives our school has been and will be, even more so, in the future.

Each day our participation and pride in our school has grown until now, as we embark on new careers. It is with heavy hearts that we regretfully leave the halls of learning where we spent the best years of our lives. But we leave with thankfulness for the knowledge afforded us by our past instructors.

We can take this edition of the Hi-Way with us as a small reminder, but in reminiscing, we must read "between the lines" and look "behind the pictures" to recall the highlights of our high school years.

CAST FOR THE CLASS OF 1961

With two years of high school completed, the Juniors are over the hump, but certainly not coasting. This is the year in which a class makes itself noticed. While maintaining a high scholastic record, the Juniors are seen joining more co-curricular activities, poring over the many details of the Prom, and rallying for the cause on the playing field. This third year brings the Class of 1961 the most activity it has yet seen. Mentally, socially, and athletically, the Juniors strive toward the goal of well-rounded individuals.

The sign of a Junior, then, is not merely his class ring. His wisdom and maturity point him out as he loyally supports the school in every function, and when he does his best to set a good example for those around him. Eagerly watching the Seniors, learning from them and profiting from their experiences, the Junior waits in the wings for his entrance and looks back on a year well spent.

CLASS SPONSORS Brother William Kleynenberg and Sister M. Josile confer on a future Junior activity.

IN MEMORY

Mary Ann Cunningham

CALM on the bosom of thy God,
Fair spirit, rest thee now!
E'en while with ours thy footsteps trod,
His seal was on thy brow.

Dust, to its narrow house beneath!
Soul, to its place on high!
They that have seen thy look in death
No more may fear to die.

CAST FOR THE CLASS OF 1962

The Sophomore Class has always been the class of expectations. They have already brought down the curtain on the first act of their drama of school life. This year the sophomores are no exception. As the school year begins, this class finds itself faced with many new responsibilities and privileges. They have the potential to make their class a successful one. The results of their first assembly, their first sport dance, and their Sophomore Cotillion will tell what measure of greatness the sophomores will achieve. Although there may be mistakes made, with careful prompting, the sophomores will become upperclassmen and bring down the curtain on a successful second act of their school-life drama.

CLASS SPONSORS Brother Edward Schenk and Sister M. Josephita check the final arrangements for the Sophomore Cotillion.

CAST FOR THE CLASS OF 1963

Completing the cast of our drama of 1959-1960 student life are the Freshmen. For the first time they have stepped into the spotlight of high school life and are on the challenging road of learning. These students have received their scripts with great enthusiasm and have had their first glimpse of success. Although they may have stumbled a few times as beginners, courage and determination kept them pushing forward. They have lived up to the challenges and expectations set before them; they have dramatized their abilities and leadership. Through the many scholastic courses they will encounter, the manner of correct living and possessing a spiritual life will always be one of their many tasks. When the curtain closes on their first year it will be accompanied by tremendous applause for a year of drama, well presented.

CLASS SPONSORS Sister M. Robertina and Brother James Leik summarize the results of plans for the Freshman Mixer after a class officers' meeting.

THE SCENE OF ACTION

A true test being completed, St. Joseph's athletic participants have sped through in fleeting fashion. In the past year, we have competed with some of the foremost teams of the area. Although the records do not relate the complete story, they do forecast the athletic trends to follow in the ensuing years. When our teams take the field everyone has been assured that not only have we done our best to win, but we have all stood up to standards set forth by that first team years ago.

We have been acquiring prestige at a steady pace and in this last season have set many precedents that should be followed in the years to come. A challenge of supporting our men has been met head-on by the student body. Similarly, the team has supported us by presenting an impressive record of victories and good sportsmanship. Such a system of cooperation is mandatory, if any successful season is to be realized.

A WARM WELCOME — an established tradition at St. Joe's — is extended to George Izo by Carl Bosse at the Washington-Clay assembly.

"WHEN THE SAINTS

With wild applause for its team, and enraptured silence for the encouraging words of guest speakers, the St. Joseph's student body displayed the traditional school spirit which is an integral part of any athletic program.

Alternating with several humorous skits were such guest speakers as George Izo and Charlie Weaver (alias Brian Miller).

Another source of student backing for the team is the bus trip for the avid fans. With faces beaming optimistic hopes for the game, the students boarded the busses for the trip to enemy territory. There they lent an atmosphere of home to the opponents' field and urged the team to victory.

The trip home was sometimes short and loud with the hoarse yells of victory-gladdened Indians, but sometimes the long trek back was silenced by a heart-breaking defeat.

Short or long, silent or loud, the St. Joseph's followers rousingly demonstrated their interest in the reputation of their school.

JUBILANT SMILES of the girls and the eager faces of the boys depict the great excitement which prevails on student bus trips.

THE SIX EXTRA VOICES heard at the assembly prior to the Washington game were those of the Washington cheerleaders.

CHARLIE WEAVER (alias Brian Miller) paid an unexpected visit to the senior assembly.

GO MARCHING IN!"

SOPHOMORE GIRLS did their best to show that they could yell the loudest at their assembly.

VARSITY RECORDS
4—4—2 SEASON

The 1959 football season, while not possessing an outstanding record, can still be considered one of the more successful in the history of the school. Against Conference opponents, the Indians compiled a 1—1—2 record. The over-all picture of the season was one of thrills as well as disappointments. The thrills came with our four victories and two ties. The two ties also were the source of disappointments as well as the narrow defeats.

THE 1959 VARSITY FOOTBALL TEAM: (left to right) **FIRST ROW** — Malcolm Hill, Jim Bamber, Ken Woodka, Gene Luzny, Tom Serge, Joe Dierickx. **SECOND ROW** — Dave Jordan, Jim Tomaszewski, Joe Quigley, Tom Hill, Ed Thirion, Tom Bodnar, Bernie Hirl, Tom Wargo. **THIRD ROW** — Coach Walter Moore, Ray Kent, Jerry Jack, Dick Marnocha, Tom Szajko, Ed Richart, Rick O'Reilly, Mike Flanigan, Bill Gottlick, Manager Jerry Barson. **FOURTH ROW** — Dick Weddle, Ed Hanyzewski, Tom White, Bill Remmo, Ron Weber, Dick Bubick, Dick Witucki, Erv Klebosits, Mike Bognar. **FIFTH ROW** — Brian Kotoske, John Garboden, Ken Horvath, LeRoy Kuczmanski, Dick Smith, Pat Gallagher, Jerry Gawenda, Bill Straka.

THE INDOMITABLE SPIRIT of the 1959 St. Joe Varsity is typified by Ed Richart's plunge through the Elkhart Blue Blazers' line.

The 1959 St. Joe Football Team opened the season with a very exciting and promising 13—13 tie against Elkhart's Blue Blazers. The Blazers had beaten the Indians in the 1958 season and were highly rated in pre-season polls. Downed 13—7 at the start of the final quarter, the Indians put on a sustained march, capped by Ed Richart's second touchdown of the game.

In a game highlighted by defensive prowess, with most action taking place between the 20 yard stripes, the Indians and the Mishawaka Maroons battled to a scoreless tie. Although all four St. Joe backs contributed substantial gains, the offense was never able to carry the ball across the Mishawaka goal line.

After allowing New Carlisle a first quarter touchdown, the Indians settled down on defense to hold them in check for the rest of the game while our offense clicked for 4 touchdowns and 4 extra points in a 28—7 rout. Helped out by Richart's long touchdown runs of 77 and 47 yards, respectively, the Indians amassed an over-all total of 351 yards.

St. Joseph's traveled to Fort Wayne and barely avoided a third tie, winning by the narrow margin of an extra point, 7—6. Following a first period plunge by "Red" Smith, Ken Horvath successfully kicked the extra point. The Irish promptly rebounded in the second period with a touchdown of their own, but failed to make the extra point.

In remaining undefeated in five games, the Indians allowed the Riley Wildcats to score their first touchdown of the regular season. However, Richart's two touchdowns and a 25 yard touchdown pass from Witucki to Hanyzewski more than matched this single score. Dave Jordan's two extra points completed the 20—7 score.

A PANTHER HALFBACK is snared by Dick Bubick (48) as Jerry Jack (20) moves up to help secure the tackle.

The Indians' first loss of the season was inflicted by a fine Grand Rapids team, which finished the season ranked first in Michigan. Although the score of 33—18 might indicate otherwise, the Saints were by no means dominated. Many long gains were nullified by penalties, including a 40 yard jaunt by "Red" Smith. Ed Richart tallied on a 60 yard punt return set up by a tremendous block by Jerry Jack.

The Indians took the field against the supposedly weak Washington Clay Colonials, and managed to eke out a dismal 12—6 victory. St. Joseph's inconsistent attack was highlighted by two Dick Witucki-to-Tom White passes, one for 52 yards and the other for 10 yards and a touchdown. Witucki provided the other score on a 1 yard plunge.

The Washington Panthers retained mastery over the Indians in inflicting upon them their second defeat of the season by a 19—7 score. Excellent punting by Dave Jordan and a 7 for 10 pass completion record were the only bright spots of the evening for St. Joe fans.

St. Joe's injury-riddled football team invaded Michigan territory in quest of their fifth win of the season. However, a powerful Muskegon C.C. (second ranked in class A) had other plans and handed the Indians a 51—14 defeat. The Indians' tallies came in the second and fourth quarters, the first being set up by a 56 yard pass play from Ken Horvath to Pat Gallagher. The other came after a 64 yard drive.

St. Joseph's football season came to a cold finish as the Indians played sub-par ball in sub-freezing temperatures. Five fumbles lost, two of which led to Gary Emerson's only scores, spelled a 13—7 defeat as our offense was able to click for only 153 yards and one touchdown. Injuries and ineligibilities accounted for much of our inconsistency.

FREQUENT CONFERENCES between captain Ron Weber, and coaches Richard Hendricks, Gene Knutson, Ronald Bella, and Walter Moore are one of the keynotes to a successful football season.

THE ROUTE to the next football game is carefully being outlined by Athletic Director, Brother Thomas Corcoran, and Assistant Athletic Director, Brother James Greteman.

WILLING ASSISTANCE from managers (left to right) Mike Suth, John Lentz, Tom Steinke, Frank Kopczynski, and Jerry Barson kept the varsity well taped and running throughout the season.

THE OTHER HALF OF A WINNING TEAM

A FRIENDLY RIVALRY between city schools is demonstrated by (kneeling, left to right) Cathy Hazinski, Kathy Wartha, Nancy DeSchepper, and Donna McLain as they are joined by Riley High's cheerleaders in a rousing "Yeah, Team!"

INDIANS WIN FIRST

With six lettermen returning, all of whom had acquired considerable playing experience, St. Joseph's fans were looking forward to a successful 1959-60 season. The players, conscious of this expectation, fought their hardest and became the most successful team in the history of South Bend Catholic high schools. By defeating both Adams and Central in the same day, the team made St. Joseph's the first Holy Cross high school team in Indiana to capture a Sectional Title.

The Indians acquired a promising start with victories over Plymouth and Griffith. Their third win was more difficult to attain, requiring a last second jump shot by Dave White to provide a one point margin, 66—65, over Hammond Morton. The Indians' winning streak was then snapped by the Riley Wildcats, who squeaked by with a 50—46 victory.

Gus Buysse provided the extra punch as the Saints regained their winning ways and downed spirited Mishawaka, 63—50, thus becoming one of only two teams to score more than 60 points against the Maroons. Undefeated Concord likewise fell before the Indians, 59—57. St. Joe made their record 6—1 by narrowly defeating Hammond Noll, 58—55, in overtime. With two seconds remaining, Al Papai's tip-in tied the score to revitalize the Indians. Following a 63—57 loss to a good Fort Wayne Central Catholic team, the Indians defeated scrappy Washington, 64—59, and headed into the Holiday Tourney with a 7—2 record.

Overconfidence was evident as St. Joe lost to Penn Twp. Kingsmen, 73—68. Washington's Panthers again felt the Indians' vengeance in a 71—48 rout of a consolation game.

Washington-Clay became the Indians' ninth victim, 78—62, as Dave White scored 35 points, setting a new gymnasium record. After a disappointing 62—51 defeat to St. Joseph, Michigan, White re-established his school scoring record at 40 points as the Indians defeated Walkerton, 84—56.

The North Judson game provided an oddity which St. Joe fans will long remember, as all but three of the visiting team were excused for fouls in a 74—50 rout.

Easy victories over Culver Military and Niles sandwiched a frustrating loss to Adams. However, the Indians staged a great comeback to lessen the margin of defeat. The Niles game marked the return to action of Tom Hess, as he scored 34 points. His presence helped make easy the victories over Lakeville, the county champions, and Holland Christian. In this final game, Dave White scored 34 points to capture the city scoring championship.

SECTIONAL CROWN!

1960 SECTIONAL CHAMPS — FRONT ROW (left to right) Manager Jerry Barson, Dave White, Tom Hess, Tom White, Tom Gorski, Al Papai, Ed Richart. **BACK ROW:** Assistant Coach Ron Bella, Gus Buysse, Larry Van Overberghe, Ken Horvath, Jim O'Meara, Pat Kintz, John Schneider, Manager John Lentz, Head Coach Dick Hendricks.

The tournament marked the culmination of a great season and, at the same time, opened what all St. Joe fans hope will be a new era in the athletic prowess for the school. In the 73—29 victory over Greene, the Indians displayed their potential and depth. The next two games brought the pinnacle of teamwork and overwhelming student support as the Saints dropped Adams, 53—51, and then Central, 58—52, to become the 1960 Sectional Champions.

In the Regionals, the Indians displayed ability and teamwork in downing Columbia City, 62—50. However, in the night contest, the lid seemed to be on the basket for the team, who, in spite of their best efforts, fell to Elkhart, 60—53.

As the team finished the season with a 19—6 record, the students finished the season with the cheer, "We're Proud of Our Team!"

HARD WORK with little recognition is the task to which the team managers have resigned themselves. **FRONT ROW** (left to right): Bernard Barth, Jim Zell, Stan Nawrocki, Jerry Barson. **BACK ROW**: Bob Litznerski, Jim Mucha, Al Niemier, Frank Kopczynski, John Lentz.

Indians End

ENJOYING THE WIDESPREAD PUBLICITY given the victorious Indians are Assistant Coach Ron Bella and Head Coach Dick Hendricks.

DEFLECTING THE BALL from the hands of Bruce Smith, Central's center, is Dave White. Bouncing back from a 10 point deficit, the Indians triumphed over the defending Mishawaka Sectional Champs.

Season with a 19—6 Record

Intramural Wrestling

Herculean strength and mental prowess were needed by this year's wrestlers as they intertwined on the mats for an innovation to the school's intramural program. A total of 40 boys participated in this rough sport, and many were successful in winning one of the eight division matches.

The winners in the eight divisions according to weight are: Charles Cihak — Flyweight, David Manuszak — Bantam, Bernie Skwiercz — Feather, Jim Varga — Light, Don Hesler — Welter, Gene Luzny — Middle, Jerry Jack — Light-Heavy, Eddie Richart — Heavy.

Coach Gene Knutson also undertook the direction and coaching of the wrestling intramural program this year and was well pleased, as were the spectators, that another first at St. Joseph's High was met with approval and success.

Basketball Intramurals

Another intramural season started off with the sound of whistles echoing across the gym floor. Over 300 early risers eagerly participated in the program with the spirit of determination and sportsmanship that could equal any of the major or minor sports.

Under the intricate planning and direction of Coach Gene Knutson, approximately 48 teams competed for the Junior-Senior and Freshman-Sophomore championships.

The Athletic Department successfully promoted lively interest throughout the student body during the period of the play-offs. As usual, this interest was rewarded by the playing spirit of the participants and the crowning of various championship teams, the highlights of a highly successful season of intramurals.

DIAMONDMEN

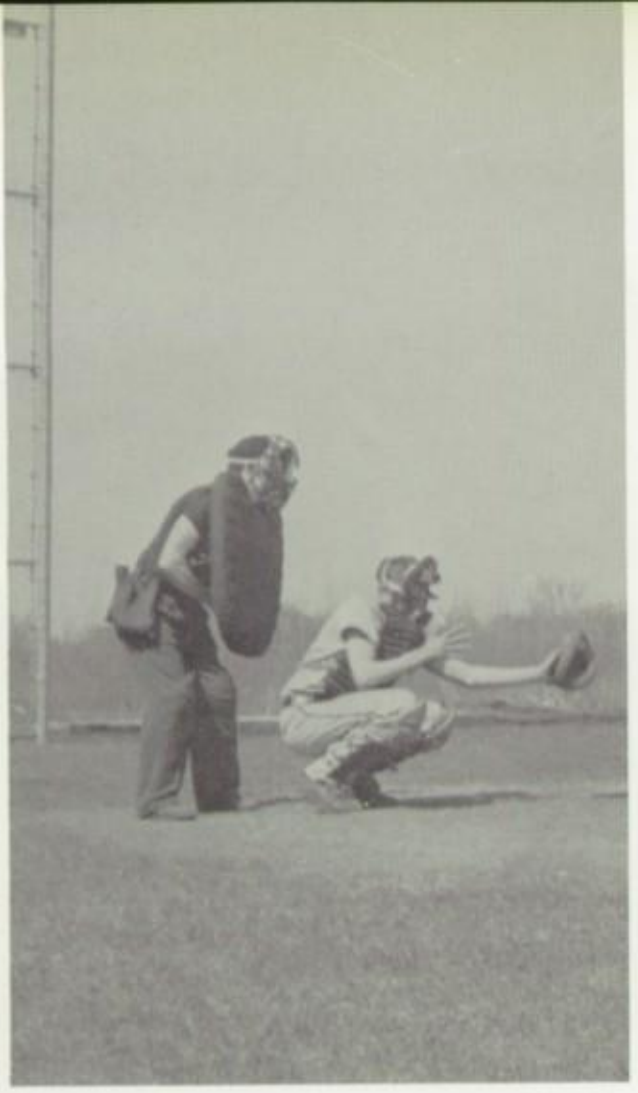
The 1959 baseball season, highlighted by the formation of the Twin-City Baseball Tournament and a towering line drive home run off the bat of Archie Jeffers, saw St. Joe's Indians continue their traditions of winning seasons. The record of 9 victories and 5 loses included triumphs over some of the city's public schools.

Wally Moore's pitching staff of Bob Dygulski (5—3), Lenny Dominello (3—1), Ray Lubawy (1—0), and Dick Witucki (0—1) was capable of matching any other in the city.

The team leader in Batting Average and Runs Batted In was Archie Jeffers. His prowess both at the plate and on the field inspired many of the other players onto great moments. Leroy Kuczmanski, Joe LaPara, Frank Deak, Jim Mollison and all the others turned in fine performances in contributing to the team's success.

The Indians were eliminated in the semi-finals of the first Twin City Baseball Tournament. A 5—3 victory over Adams was followed by a disappointing 3—1 loss to Riley, a team which the Saints had beaten previously, twice by 8—2 scores.

The "B" team finished with a 2—2 record.



THE MAN behind the plate is often given too little praise for his important position.

A TRYING SEASON ACROSS THE NET

St. Joseph's tennis team, after a slow start, managed to find the right combination and finished the season with a 2—7 record. After being blanked in the first two games by teams from Niles and Culver, the Indians suffered a heart-breaking 5—4 loss to Howe Military. However, in the final match of the season, the Indians compensated for this loss by defeating the same team 5—2. The other victory was earned in the first of two matches against Buchanan by a 4—3 score. In the return contest, Buchanan triumphed to a 5—2 score.

Leading singles match winner was Jim French, who compiled a total of 5 victories over our opponents. Second to him was John DeLee with three victories. The most successful doubles team was composed of Dave Deka and John DeLee, who won two matches for coach Jim Fuelle. Our other losses were to Niles (1—6), and two to Goshen, (2—7), and (0—9).

UNDYING SPIRIT FROM START TO FINISH

TRUE FORM is demonstrated by Paul Sypniewski as he streaks across the finish line.

Last year's track team faced many obstacles at the start of the season. Coach Dick Hendricks, in his first year as head track coach, worked hard to bring success to his team. Although lacking Ron Waldvogel, 1958 state half mile champ, the St. Joe team did give an impressive showing against some of the toughest opponents of the area. Outstanding contributors to the team were Paul Sypniewski, Frank Maxwell, Pat Bajdek, and Herb Biddle, who were often a great challenge to the opposing teams.

NATIONAL CHAMPS

The national archery championship once again was held by the St. Joseph High School archers and thus they retained the title for the second consecutive year.

Under the supervision of Bro. Thaddeus, the boys' team came in first with 2756 points. The girls' first team, also under his direction, won the Class C title.

The members of the winning boys' team and their hits: Paul Sypniewski (top scorer) with 612 points; John Budzinski 440; David Nowichi 418; Philip Balasa 416; and LeRoy Orant 390.

The girls' team and their hits: Sharon Lorenc 477; Rosemary Gundeck 474; Carol Ann Jez 362; Judy Lisek 321; Judy Haczarowski 296; and Charlene Sparr 295.

A STEADY ARM, a keen eye, and expert coaching yield true marksmen.

37 STAR AS SENIOR LETTERMEN

THE KIWANIS AWARD was presented to Norm Guentert by one of South Bend's Kiwanis representatives at the annual football awards assembly.

Prominent in the awards system at St. Joseph's is the letter-sweater given to those varsity team players who have shown greatest athletic prowess on the field or on the floor. Our teams have been most successful this year and deserve a great deal of recognition.

The "J" letter is not just any ordinary award; it is something to wear through school with the proudest attitude and to keep as a cherished memory of successful high school years. It has been a standard of excellence since it was first inaugurated in 1955.

It is not only on the athletic scene that our teams are highly rated. Many of our star athletes are scholastically proficient. Norm Guentert, who, by playing left end, was a valuable asset to our football team, won the 1959 Kiwanis Award, given for scholarship as well as sportsmanship. Three other members of our football team, Ray Kent, Ron Weber, and Art Chandonia received listing on the All-Indiana Area teams. Dave White received acclaim for his outstanding role in the basketball story of St. Joseph's High.

The monogram assemblies given at the end of the various sports seasons culminate the year for seniors as well as underclassmen who engage in athletic endeavors under the St. Joseph's banner.

HEARTY APPETITES are satisfied as members of the various teams "dig in" during the annual Athletic Banquet.

TEAMS HONORED AT ATHLETIC BANQUET

The athletes of St. Joseph's High School were honored in the early spring of 1959 by the sixth annual Athletic Banquet to recognize the achievements of the participants in the school's athletic programs.

The toastmaster, Mr. Joseph McArdle, introduced such well known guest speakers as Mayor F. Voorde and former Notre Dame coach, Bill Earley. The speakers congratulated the teams on past performances and urged them to strive for betterment of their records in seasons to come.

The men who gave of themselves during the year for the glory of St. Joseph's were paid homage as a gesture of the gratitude owed them by the student body and Indian fans. Those who lead the fans in their support of the teams, the cheerleaders, were also given awards by the athletic department.

As the athletes dined, they also replenished their supply of determination and spirit which would assure another successful sports campaign for the coming year.

TOSTMASTER Joe McArdle entertained the players and guests between talks by the Honorable Mayor Edward F. Voorde and guest-speaker Bill Earley.

A CHEERLEADER AWARD is presented to Pat Brusky by Brother Thomas Corcoran, thus recognizing all active members of the athletic program at St. Joseph's.

THE SCENE OF ACCOMPLISHMENT

What are your interests? Perhaps they are music, medicine, engineering, journalism or public relations. St. Joseph's co-curricular program is so flexible that it will boast your interests, no matter what your choice of career might be. As professions go, specialization is the feature of the day. An academic curriculum mixed in with related activities will produce a wonderful balance of knowledge in preparation for the greater level of learning. All it takes to belong to any of these varied extras is a keen interest in the subject, and an extreme thirst for the added experience to be gained. Pooling knowledge together is one of the most inimitable ways of furthering our capacities. The opportunity beckons and St. Joseph's students are on the spot to take advantage of these newly created horizons. Through the use of these sources, we can complete this picture of the well-rounded individual — the goal of this school.

THE ENJOYABLE SOUND of the band at the first annual Pop Concert prompted many of the patrons to make it a yearly event.

The Sounds of the Seasons

In the last year the St. Joseph's High School band, under the direction of Mr. Robert Brown, has grown in size, ability and quality. The major achievement was the appreciated first appearance of the marching band in their still-new uniforms at all home football games. Later in the season the band again played at the home basketball games. First on their schedule was the Pop Concert held on November 8, featuring classical, semi-classical, and popular music. For the Christmas season, the band joined the Glee Clubs in presenting a Christmas program for the Patron's Club on December 22. A Spring Concert was presented by the Band, to put a touch of Spring in the hearts of all who attended. Having progressed a great deal in the last year, Mr. Brown entered the band in a state-wide contest in Indianapolis in the late Spring.

MUSIC TO WIN GAMES BY is the theme at the home football games.

A Busy Schedule

Under the direction of Mr. Robert Brown, the Concert Choir, consisting of a Girls' Junior-Senior section, and a Boys' section, achieved new heights of success in the field of fine music. The Annual Christmas Program and Spring Concert afforded the opportunity to combine the girls' chorus with that of the boys. This 55 member combination was well received by the many audiences that attended the choir's concerts. The combined groups extended their talent to the city of South Bend by singing at St. Joseph's Hospital and from the steps of the Courthouse during the Christmas season. The voices of the Concert Choir blended with the general pattern of life at St. Joseph's by bringing acclaim to the Fine Arts Program of the school.

THE HI-WAY

Once again, the Hi-Way staff has developed a book which it believes surpasses all previous annuals. The responsibility for the production and eventual publication of this volume was undertaken by the Hi-Way's moderator, Brother Harold Ruplinger, C.S.C., and Chris Caenepeel, editor.

The editorial staff, with its numerous functions, was another very important factor. Many hours were spent in writing copy and preparing page layout for publication. The managerial staff handled the financial aspect of the book and was very instrumental in carrying out the minute details which confronted the editorial staff.

The realization of this Hi-Way was the result of months of hard work. It has sought to capture for you the highlights of this year, and present them to you in a picture story as well as in a story of words.

Fourteen senior and junior students compose the staff of the HI-LITE. Last summer eight of these staff members were present at the Indiana University Journalism Institute. Due to the training and experience these staff members received at the Institute, the HI-LITE has received high honors on a national basis of competition. Mary Ann Wolz heads the staff as editor of the HI-LITE, with the helptul assistance of Sister M. Louis Irene, HI-LITE Advisor.

HI-LI CLUB INAUGURATED

The newest addition to the list of augmenting activities at St. Joseph's is the Hi-Li Club, focusing on the spectrum of history and literature. Under the moderators, Brothers William Kleynenburg and Kenan Judge, the club embarked on a tour through old and new horizons. A great variance of subjects, ranging in essence from "Underprivileged Boys" through "South America" and "The Rise and Fall of Adolph Hitler" and on to "Ireland" and "An Analysis of the Bagpipe" made for a better understanding of the humanities. Since meetings were held bi-weekly, there was always avid enthusiasm in awaiting the discovery of what was on the up-and-coming agenda.

A TASTE FOR GOOD MUSIC

The Music Appreciation Club brings music to the modern set at St. Joseph's. Club meetings, moderated by Miss Carol Braunsdorf and Miss Evelyn King, were held bi-monthly in the school cafeteria. The best in good music, ranging from the classical and semi-classical to contemporary works, affords the members of the club the opportunity to learn the major phases of music as well as thoroughly enjoying the pleasure that comes from listening to the music of the ages. With everything to gain from being active in the club, each member goes her way with the memorable moments drawn from the world's treasury of great music.

STIMULATING FUTURE SCIENTISTS

This year saw two new activities added to the school curriculum, namely in the form of a Science and Math Club. Under the direction of Brother Noel C.S.C., the Boys' Science Club attempted to delve into and uncover some of the mysteries of science. Demonstrations of the very complex nature of crystal structures and High Fidelity and Stereophonic sound were just a few of the many lectures presented.

The Boys' Math Club under the supervision of Brother Reginald capably explored the vast science of Mathematics. Their studies and research involved everything from Trigonometry, to Differential and Advanced Calculus.

The Girls' Science Club was revived again this year. Under the guidance of Sister Mary Francis Borgia the girls placed an emphasis on chemistry. Distillation, oxidation, reduction and the centrifuge process were but a few of the many aspects of chemistry tested. During the first part of the school year the members of the Club were fortunate enough to be given a guided tour through the main biological laboratory at the University of Notre Dame.

MISSION INTEREST INCREASES

Boys' Unit Features

"Pop Concert"

It is easy to imagine the care and instructions that are so deserving of those future Christians who spend most of the time wondering what hope tomorrow will bring. Through an active part in the Boys' Mission Club, students perform corporal works of mercy by contributing their time and effort toward the support of these people. Each member is enrolled in the C.S.M.C. (Catholic Student Mission Crusade) — an organization dedicated to raising funds for the missions. Various projects, including the "Pop Concert" and the weekly mission collection, contributed a substantial amount to the cause.

St. Joseph's has always been interested in assisting the missions overseas and on our own continent, both spiritually and financially. The forming of the Mission Club has given all students an opportunity to participate in activities pertinent to the missions.

Girls' Unit Sponsors

Food Drive for India

In a Catholic institution such as ours, almost everyone expects to find an organization that centers its interests in caring for the underdeveloped areas of the world. Such was the purpose for establishing the girls' unit of the St. Joseph's High School Mission Club. Although the girls' department has always been active in helping the work of the missions, it has formally organized a closely knit unit for fostering a keener interest in mission goals. With Sister M. Nazareth, C.S.C. as Moderator, the club works for the end of Christ's dictum that: "Whatsoever thou shalt do to the least of these, my brethren, thou shalt do to Me." The assistance afforded the missions by the club is both spiritual and temporal; spiritual through the prayers said daily for the missionaries and their work, and temporal through financial and material aid sent to the poverty stricken who look to us for aid.

A GENEROUS CONTRIBUTION toward International Good Will consisted of food baskets prepared by the Mission Club.

BOYS' SENATE

The Boys' Senate of St. Joseph's High School is organized to develop a closer relationship between the administration and the student body.

As in the past, Brother Kenan served as the sponsor of the Boys' Senate. The group's agenda was filled with numerous activities. They led the way for sponsoring several post-game football dances and continuing the publication of the Student Directory.

The officers of this year's Senate were: James VanLaere, president; Jerry Jack, vice-president; James Bamber, secretary; and James Lipetska, treasurer. Class presidents are ex-officio members of the Boys' Senate. This year, as in the past, the Senate has led the school in progress and in the betterment of relations between the faculty and the student body.

GIRLS' SENATE

The Girls' Student Senate is comprised of a representative from each homeroom and an ex-officio member from each class. At these meetings the girls discuss the suggestions they have received from their respective homerooms. An important help of the Senate is the cooperation with the faculty by patrolling the halls in the morning and at lunch periods. Other activities that the Girls' Senate sponsored were a Christmas food drive for the poor and a Bulletin Board Contest.

Sister Mary Marcian C.S.C., faculty moderator, and Jean Ann Grathwohl, president, are the ruling heads of the Senate which holds its meetings every other week on Tuesday in the Little Theater.

BULLETIN BOARD PREPARATIONS for the holiday season are being considered by Sister M. Marcian and Jean Ann Grathwohl.

STUDENT ORATORY

It is pleasant to realize that in the fast-moving drama of high school life, the ancient art of oratory is still practiced. The Freshman and Sophomore Declamation Contests are becoming a tradition at St. Joseph's; and this year, they were particularly exciting. An innovation to this program is the girls' participation in the art of public speaking, making it possible to combine their efforts with the boys in presenting the winning speeches to members of the Patrons Club at their January meeting.

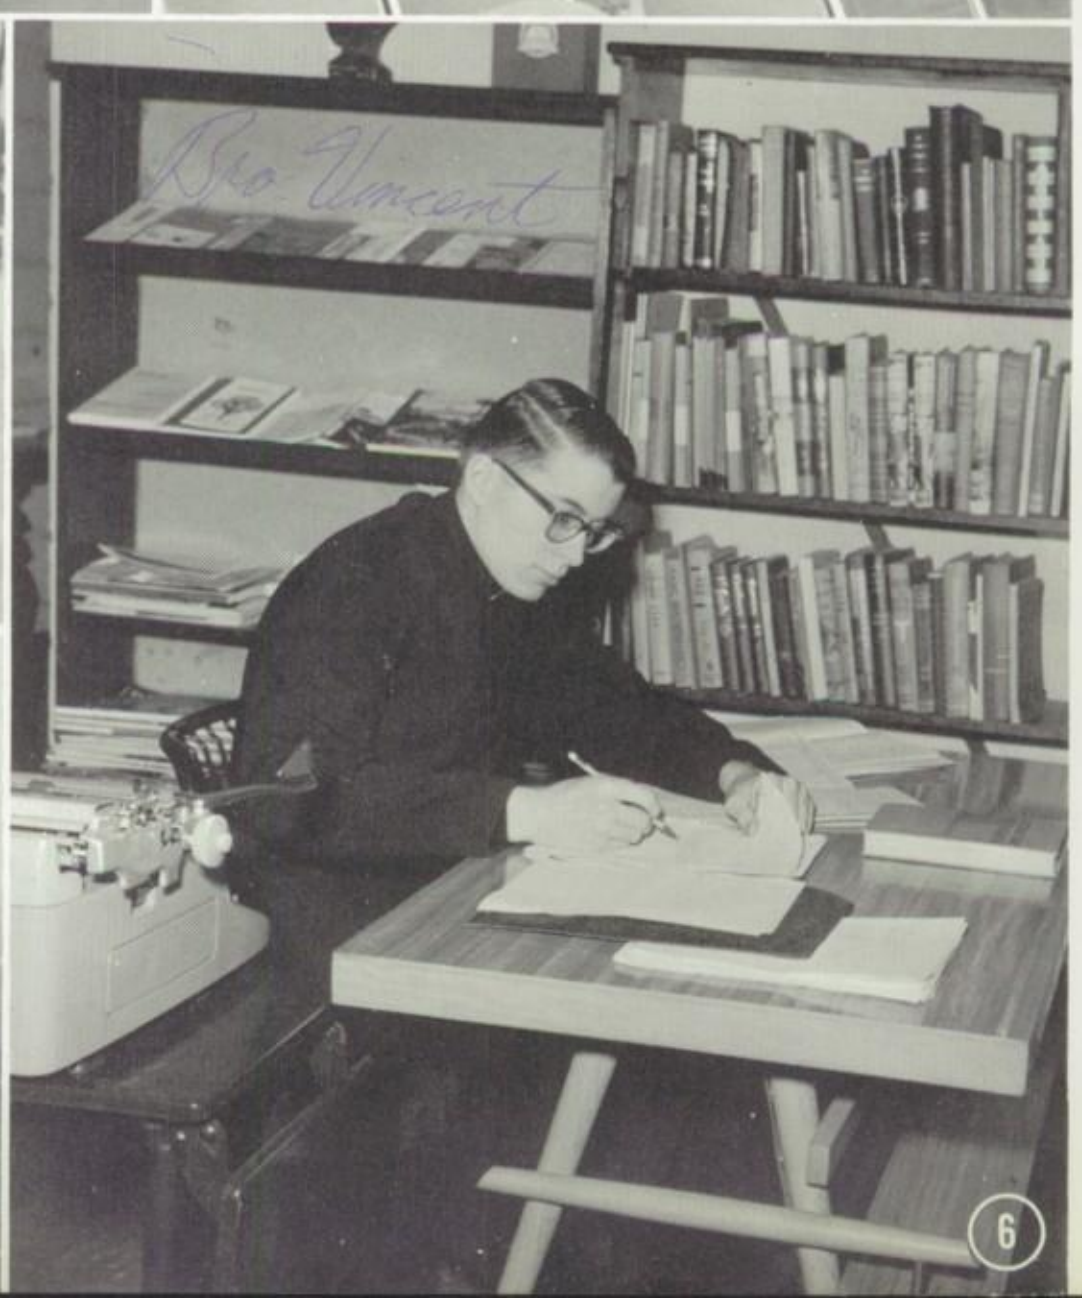
In every production there are people and occasions that very seldom make the feature pages of the school annual. These make up the personalities and events seen throughout the year that are simply taken for granted. Rather than be forgotten, the following three pages are dedicated to an informal presentation of the vital backstage story which can be seen and noted from "Behind the Scenes."

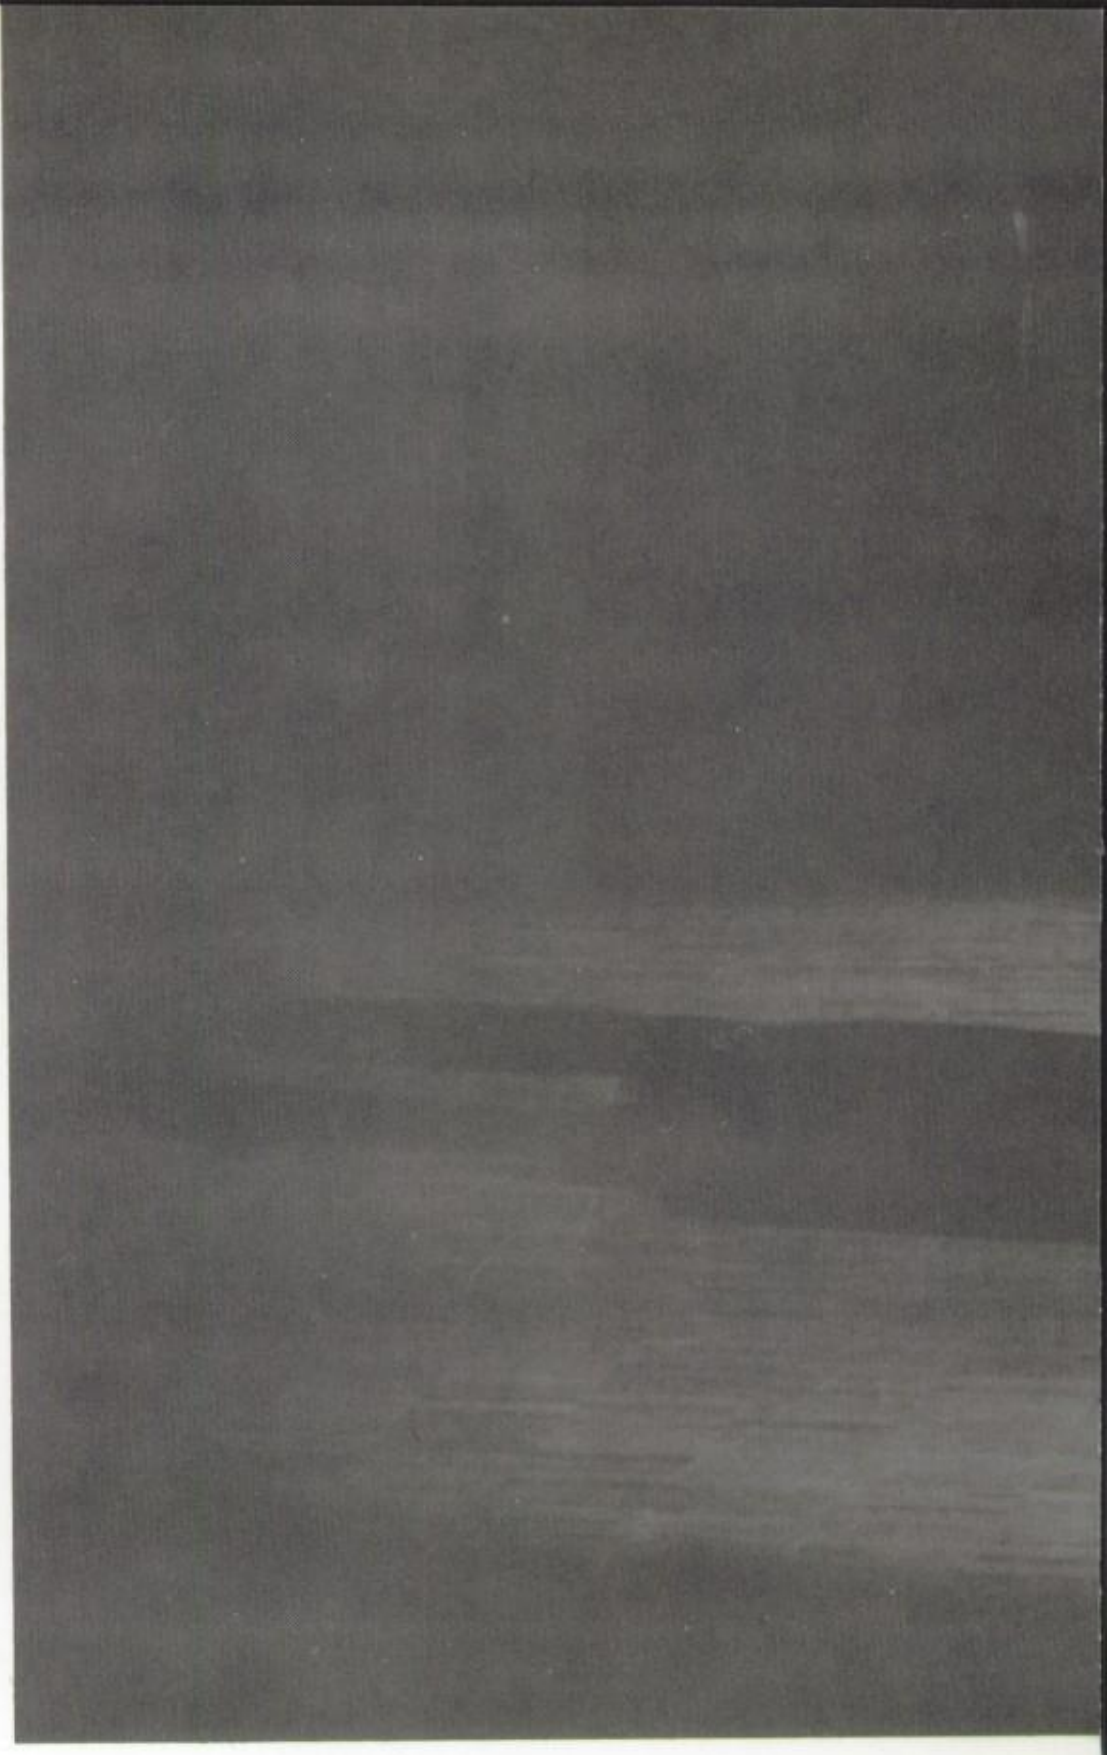
BEHIND THE SCENES

1. Participants in the Christmas tableau anxiously await curtain time.
2. Norm Guentert welcomes exchange-student Beate Pflandler to an informal Coke party.
3. Working after school to help pay part of his tuition, Mike Maier puts the finishing touches to the drafting room floor.
4. Achievement Exams prove a challenging experience for Vicky Gorski.
5. Classmates for the coming year are decided by the class card appointments.

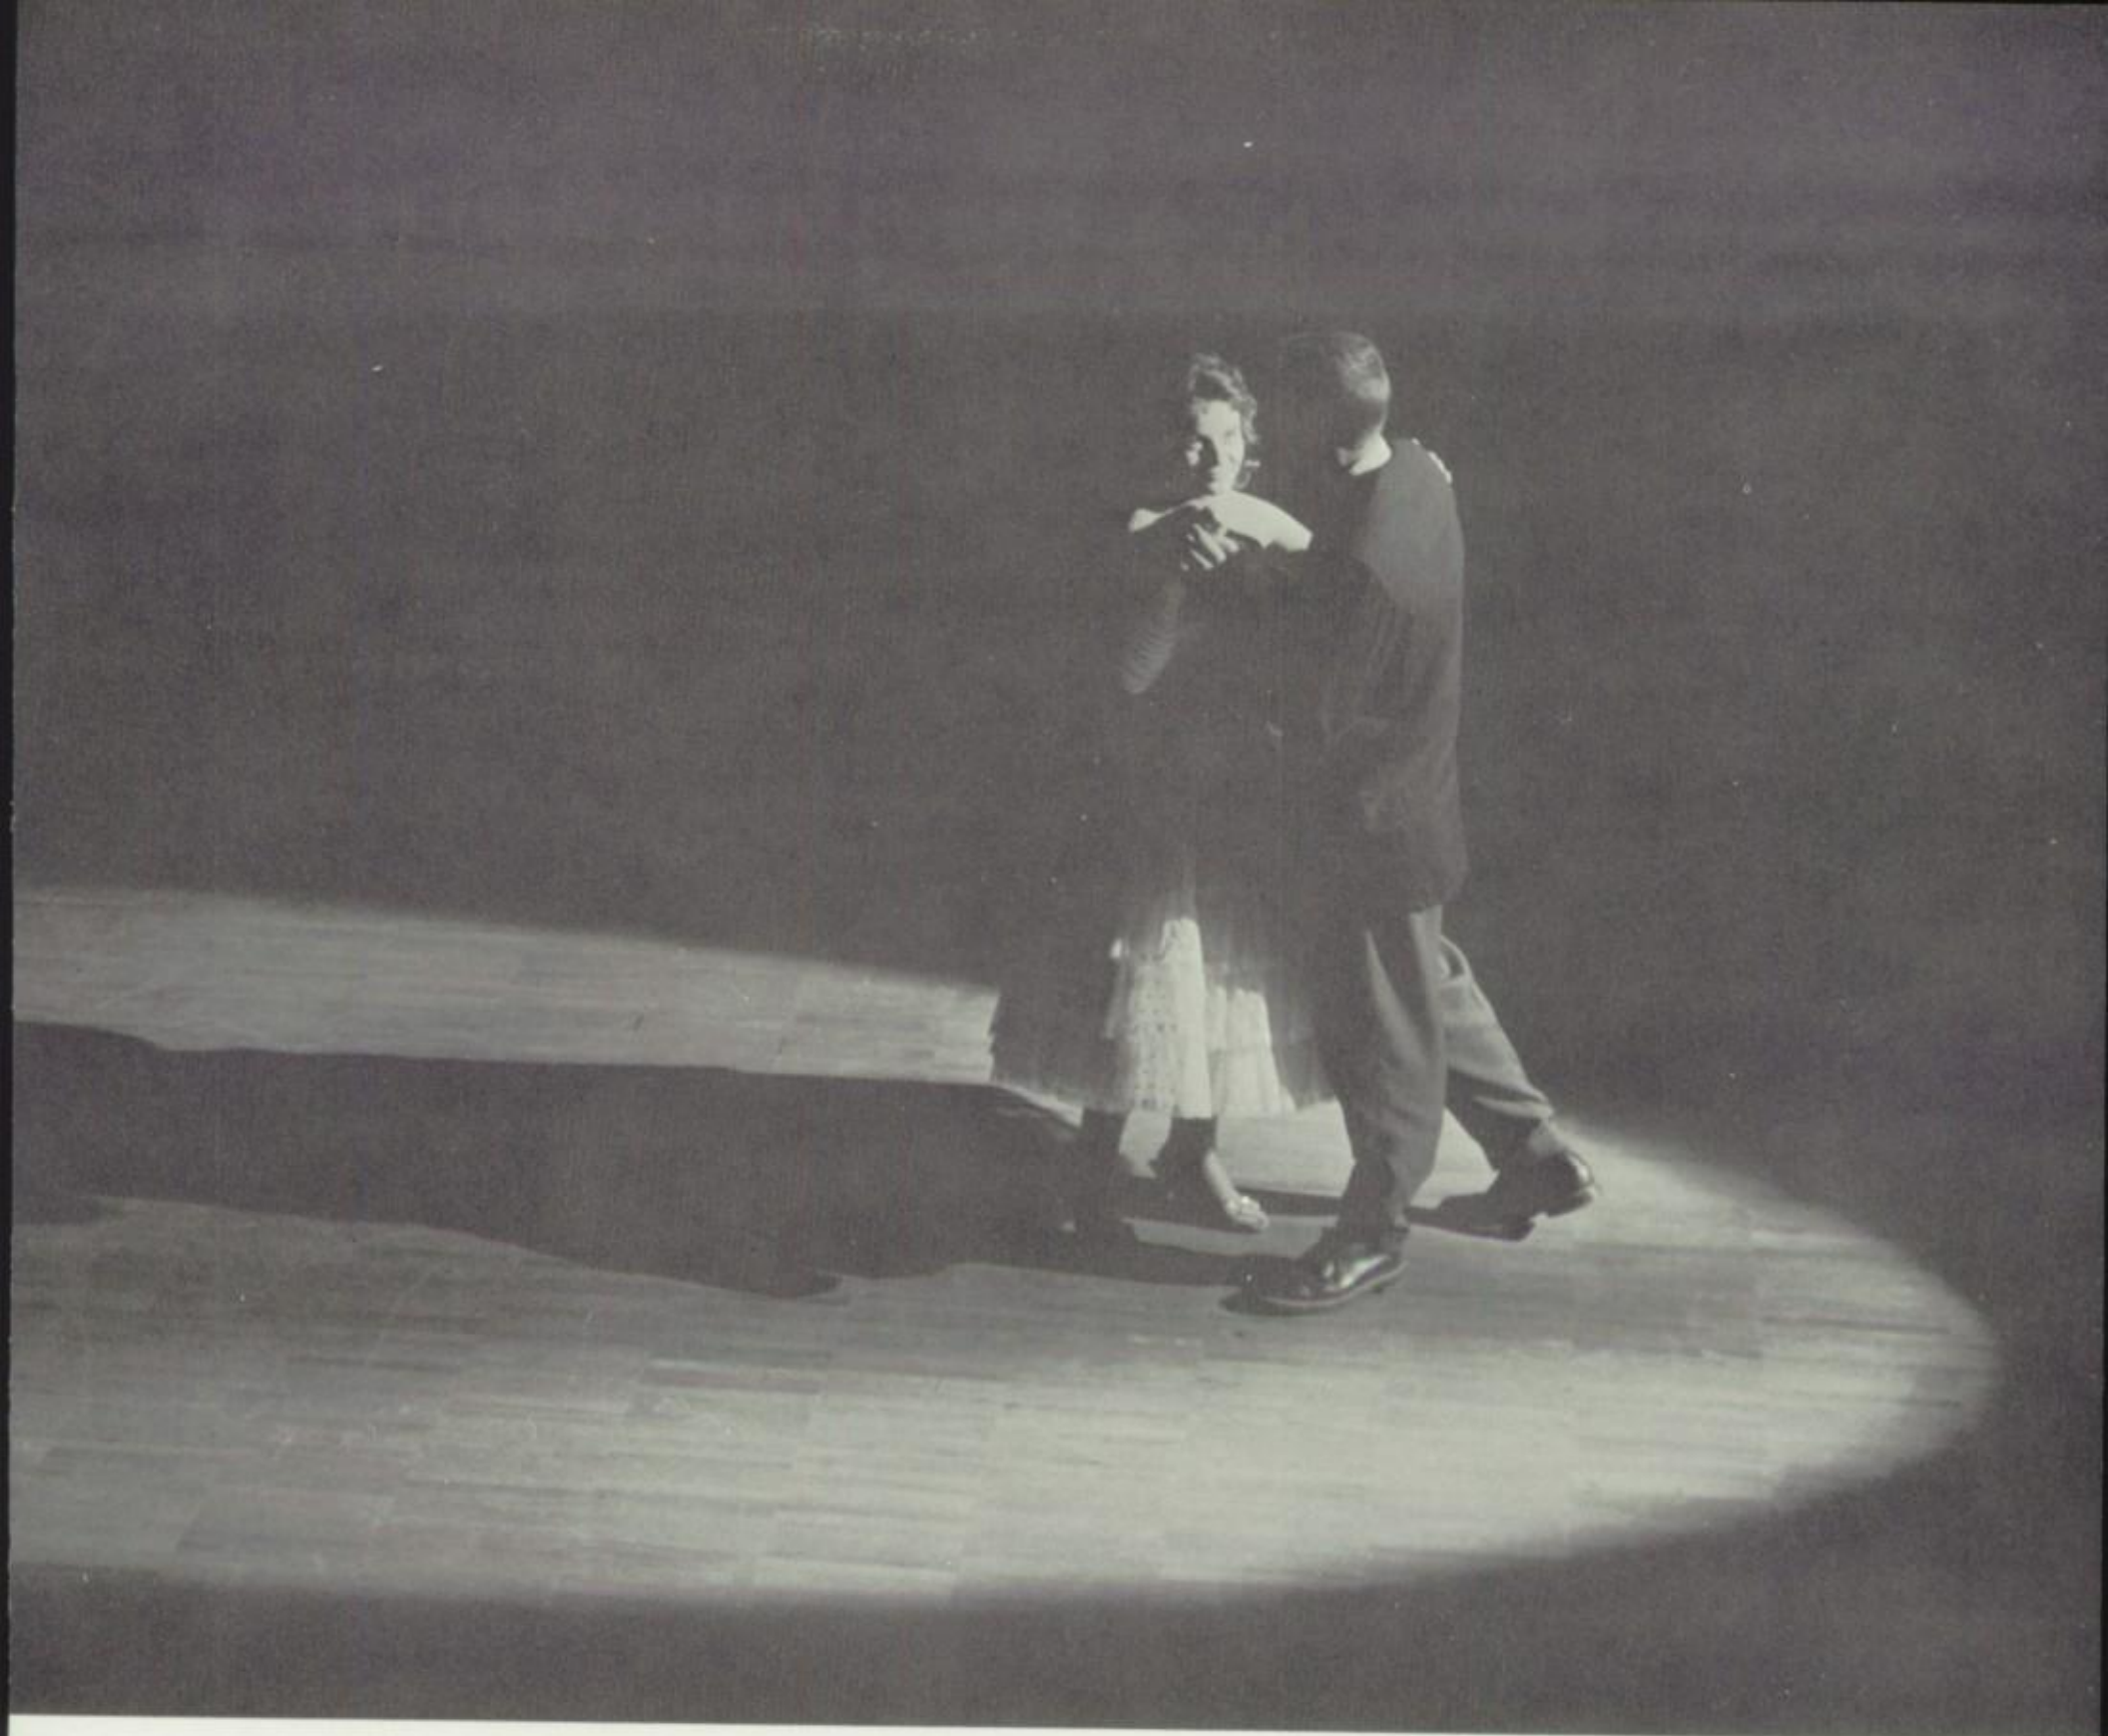
1. Messrs. Clay Penninger and Bill Humphrey prepare for the return trip to Elkhart.
2. Late arrivals Mike Scott, Russell Gehl, Tom Everett, Chuck Cleghorn, Everett Joles and Dave Manuszak take five at the ever-popular Coke machine.
3. Junior girls primp for their underclassman pictures.
4. Frequenters at Howard Park are Mary Lenhard and Marty Scheuer.
5. Junior class members bring Christmas cheer to South Bend's County Home.
6. Brother Vincent Masterson sits down to the usual grind o' checking homework papers.



1. Bernie Hirl carries on a family tradition of raising the flag each day before classes.
2. There's sure to be plenty of fun on hand when Steve Kovatch arrives on the scene with Tom Ryan, Hal Hatfield, Brian Miller, Pat Kintz, Jim Mollison, and Denny Miller.
3. Jim and Bill Sweeney, second semester arrivals, launch upon a new day at St. Joseph's from the south parking lot.
4. Patrolman Leo Kwasnieski chats with Jim Hanley and Joe Orban at one of the all-school sponsored dances.
5. The voices heard over the PA system during the year were those of Erv Klebosits (seated), Ed Minczeski and John Crowley.



Social



THE SCENE OF ENJOYMENT

An integral part of St. Joseph's curriculum is the accent which is placed on the social swirl. The art of knowing people is just as important as any other. And whether it be ordinary conversation or the senior prom, we are all afforded equal opportunities to develop and enhance our personalities. Fun is the part of every student's life, and without it life would not be worthwhile. The sources of enjoyment through the last year were varying. Parties, dances, and concerts highlighted the year. In fact, it seems that no matter what the weekend, someone was having a shindig of some sort. Victory dances were held through most of the season and served as effervescent rendezvous. An opportunity for everyone was offered whether to Frosh rookies or Senior incumbents. We eagerly took advantage of these chances to share common experiences. For not only were we eager to learn from books, but also from fellow student understanding.

The social billing at St. Joseph's High School was begun by the Freshman Mixer, on September 18. With recorded music in the background, the eager freshmen met their fellow students. Not to be outdone, the sophomores held their mixer with the atmosphere of the popular bands of America emanating from the loud speaker system.

During the football season, the Boys' Senate presented post-game dances after the Riley and Washington games. As the season was brought to a close, the "Football Farewell" was presented by the seniors, with the Belvederes providing the music for another St. Joe style pow-wow. Autumn lingered on, providing a Thanksgiving spirit for the Junior Class' "Turkey Trot," with a solid beat supplied by the Ultra-Tones.

The second semester saw the coming of Valentine's Day and the senior-sponsored "Serenata de Valentino." With the Sophomore Cotillion, Junior Prom and the Senior Ball, each trying to surpass each other in splendor and magnificence, another year of dancing and partying was brought to a successful climax.

DANCES, MIXERS, AND PARTIES

THE ACCENTS, featuring Rock-and-Roll at its best, were always a sure drawing card whenever they appeared at a St. Joe's dance.

"Serenata de Valentino"

Winter, dull and dreary, is highlighted each year by the presentation of a semi-formal dance by the Senior Class. This year the seniors chose "Serenata de Valentino" as their motif.

To carry out the Valentine theme, the seniors designed a ceiling of pink, white and red crepe paper that radiated from a suspended silver ball to all four walls of the gym. On the snow-white walls, covering the auditorium bleachers, were colorful red heart trees and romantic red cupids.

The stage consisted of mobile hearts of different sizes hung at varying heights on the stage with glowing red and silver styrafoam letters at the foot of the stage, spelling out the title of the dance.

All present spent an enjoyable evening, dancing to the strains of Eddie Knight's music till midnight. The climax of the evening was the coronation of the Sweetheart of the Ball, Karen Wunsch. Much of the success of the dance was due to Sharon DeBaets and Norm Guentert, general chairmen.

SOUTH PACIFIC SETTING SETS MOOD

On May 8, the seniors had their Senior Ball with the theme, "Enchanted Island," and the Junior Prom on May 6 followed the same general theme with "Evening in the Islands." Both classes used the same decorations in the gym and on the stage. However, there were variations in the coronation ceremonies and in the cafeteria motif. A scrim of an evening sunset cast its rays from the stage to the hibiscus covered walls of the gym. On the floor, was a tropical island complete with palm trees and flamingos. A dancing hula girl added the crowning touch. Barefoot Hawaiian boys and colorful native girls served refreshments to the juniors. As the seniors entered their dance they found the entrance transformed into a native hut. The mood was set for the seniors by the music of Don Gray. Toni Rulli and his orchestra played for the juniors. The climax to each dance came when the king and queen were announced to all. Julie Kramer and Bob Hurtubise were crowned at the Senior Ball; Sylvia Van Driesche and John Schneider reigned over the Junior Prom. Both dances owed much of their success to the able leadership of Kathy Drouillard and Ed Everett, senior co-chairmen, and Cathy Hazinski and Tom White, junior co-chairmen.

SOLEMN PROCEEDINGS marked the opening of the second induction ceremony of the Josephite Chapter of the National Honor Society.

THE NATIONAL HONOR SOCIETY

During the second year of its existence at St. Joseph's, the National Honor Society began an active program within the school and instituted strict qualifications for membership. These rigorous qualifications fall into four categories — character, service, leadership and scholarship. Upon these four points, candidates are carefully checked and, if merit is found, finally chosen.

One of the major projects of the NHS was the tutoring program, which was established this year for the first time. Members offered their own time, before and after school, to assist any student who needed this aid for a particular subject. Students, whose knowledge for a particular subject was lacking in certain respects, could thereby gain much useful information and possibly a new interest without sacrificing the valuable time of their teachers.

National Honor Society members also sold refreshments at school-sponsored dances, the Patron's Club Bingo Party and other special affairs, thereby building up the financial status of the organization.

Thus, the National Honor Society, composed of students of the highest caliber, developed into a fully operative organization with an active and extensive program.

A REWARDING FINALE

At the close of each year, recognition is given to those students who have achieved excellence in their class work, activities, or leadership. Each student that does his or her best in striving for the goals of a true Catholic education deserves this special praise and recognition. It is regretted that all who have put forth their best efforts cannot be recognized in a similar way. However, each class day represents a milestone in the intellectual growth of St. Joseph's High School, made possible by those who have realized their life's ambitions and have worked toward that end.

On Sunday, June 2, 1959, at 3:00 p.m. graduation ceremonies began. For Seniors, this day signified the end of a 12 year quest, four of which were spent at St. Joseph's.

Before a crowd of proud parents and relatives, the salutatory address was given by Paul Lehner, and the Valedictory by Kitty Quinlan.

The commencement address was given by Mr. Robert Christin, head of the Notre Dame Freshman English Program.

The curtain is coming down on the Drama of 1960. We of the yearbook staff, with a theatrical theme in mind, have attempted to present to you the four phases of high school life: academic, athletic, activities and social.

The topic this yearbook centered around, not only had to adequately cover these four phases of high school life, but also had to capture the essence of the story of secondary education at St. Joseph's. Since the school year had a direct relationship with a stage production, with each act unfolding as the year progressed, a theme involving dramatic representation was selected.

Once our theme had been chosen, our task had just begun. Our presentation had to be unique. By depicting the faculty and administrators as the producers and directors, and the student body as the cast, we had attained the first major step of our production. In our "Behind the Scenes" section, we caught the informality of student life. As in any other stage production, there must be a focal point. Ours was highlighting the major achievements in scholarship, extracurricular activities and sportsmanship.

Graduation is the climax of this dramatic representation as it unfolds part of life's true drama of adulthood with its many opportunities and challenges.
